This person should be a leader who is a self-starter and is comfortable leading other leaders. They should be skilled in adapting their ministry strategy to a particular context. ## **About Christ Community Church**

---

Christ Community is a growing, multigenerational congregation in Huntersville, NC. A suburb of Charlotte, the city of Huntersville is a booming, family-oriented community nestled against beautiful Lake Norman. There are more than 15,000 middle and high school students in our immediate area, but they are largely under-engaged by Bible-teaching churches. Our youth program currently has 75-80 students engaged with 45-50 attending student worship each week. The Minister to Students at Christ Community will be well-positioned to make a gospel impact on our area.
